1869. reset lamp light range for 3D desktop (5)

1870. change torch light range for 3D desktop (1-200)

1871. reset torch light range for 3D desktop (3)

1872. add table to 3D desktop

1873. edit table type

1874. edit table texture

1875. resize table for 3D desktop

1876. reset table size for 3D desktop

1877. add barrel to 3D desktop

1878. remove barrel from 3D desktop

1879. edit barrel type

1880. edit barrel texture

1881. resize barrel size for 3D desktop

1882. reset barrel size for 3D desktop

- 1883. add fence to 3D desktop
- 1884. remove fence from 3D desktop
- 1885. edit fence type
- 1886. edit fence texture
- 1887. resize fence for 3D desktop
- 1888. reset fence size for 3D desktop
- 1889. show X, Y, Z for 3D desktop (each one can be separate)
- 1890. hide X, Y, Z for 3D desktop (each one can be separate)
- 1891. enable 3D desktop inventory
- 1892. disable 3D desktop inventory
- 1893. change limits for 3D desktop inventory
- 1894. add flashlight to 3D desktop inventory
- 1895. remove flashlight to 3D desktop inventory
- 1896. start all users with flashlight in inventory
- 1897. don't start all users with flashlight in inventory
- 1898. add axe to 3D desktop inventory
- 1899. remove axe to 3D desktop inventory
- 1900. start all users with axe in inventory
- 1901. don't start all users with axe in inventory
- 1902. edit axe texture
- 1903. reset axe texture
- 1904. resize axe size
- 1905. reset axe size
- 1906. edit flashlight texture
- 1907. reset flashlight texture
- 1908. resize flashlight size
- 1909. reset flashlight size
- 1910. allow users to break this item (selection)
- 1911. don't allow users to break this item (selection)

1912. this item will respawn (selection)

1913. this item won't respawn (selection)

1914. this item will respawn after **\*\*x\*\*** seconds (selection)

1915. add knife to 3D desktop inventory

1916. remove knife from 3D desktop inventory

1917. start all users with knife in inventory

1918. don't start all users with knife in inventory

1919. edit knife texture

1920. reset knife texture

1921. resize knife size

1922. reset knife size

1923. change axe damage rules

1924. allow axe to do damage

1925. don't allow axe to do damage

1926. change flashlight damage rules

1927. allow flashlight to do damage

1928. don't allow flashlight to do damage

1929. change knife damage rules

1930. allow knife to do damage

1931. don't allow knife to do damage

1932. allow players to respawn

1933. don't allow players to respawn

1934. respawn limit [x] or [none]

1935. respawn duration [x]

1936. knife is throwable

1937. knife is not throwable

1938. flashlight is throwable

1939. flashlight is not throwable

1940. axe is throwable

1941. axe is not throwable  
1942. add pistol to 3D desktop inventory  
1943. remove pistol from 3D desktop inventory  
1944. change pistol texture  
1945. reset pistol texture  
1946. resize pistol size  
1947. reset pistol size  
1948. change pistol damage rules  
1949. allow pistol to do damage  
1950. don't allow pistol to do damage  
1951. pistol is throwable  
1952. pistol is not throwable  
1953. let players start with pistol in inventory  
1954. do not let players start with pistol in inventory  
1955. add chainsaw to 3D desktop inventory  
1956. remove chainsaw from 3D desktop inventory  
1957. change chainsaw texture  
1958. reset chainsaw texture  
1959. resize chainsaw size  
1960. reset chainsaw size  
1961. change chainsaw damage rules  
1962. allow chainsaw to do damage  
1963. don't allow chainsaw to do damage  
1964. chainsaw is throwable  
1965. chainsaw is not throwable  
1966. let players start with chainsaw in inventory  
1967. do not let players start with chainsaw in inventory  
1968. enable flashlight animations  
1969. disable flashlight animations

1960. edit flashlight animations  
1961. enable axe animations  
1962. disable axe animations  
1963. edit axe animations  
1964. enable knife animations  
1965. disable knife animations  
1966. change knife animations  
1967. enable pistol animations  
1968. disable pistol animations  
1969. change pistol animations  
1970. enable chainsaw animations  
1971. disable chainsaw animations  
1972. change chainsaw animations  
1973. enable flashlight sounds  
1984. disable flashlight sounds  
1985. edit flashlight sounds  
1986. enable axe sounds  
1987. disable axe sounds  
1988. edit axe sounds  
1989. enable knife sounds  
1990. disable knife sounds  
1991. change knife sounds  
1992. enable pistol sounds  
1993. disable pistol sounds  
1994. change pistol sounds  
1995. enable chainsaw sounds  
1996. disable chainsaw sounds  
1997. change chainsaw sounds  
1998. enable unlimited bullets

1999. disable unlimited bullets

2000. add spray paint to 3D desktop inventory

2001. remove spray paint from 3D desktop inventory

2002. change spray paint color for 3D desktop inventory

2003. spray paint despawn timer [x]

2004. reset spray paint color for 3D desktop inventory (Random: White, or black)

2005. add spray paint to user inventory at startup

2006. don't add spray paint to user inventory at startup

2007. enable unlimited spray paint

2008. disable unlimited spray paint

2009. edit spray paint texture

2010. enable spray paint animations

2011. disable spray paint animations

2012. change spray paint animations

2013. enable spray paint sound

2014. disable spray paint sound

2015. change spray paint sound

2016. allow sounds for all users [selection]

2017. don't allow sounds for all users [selection]

2018. spray paint is throwable

2019. spray paint is not throwable

2020. change spray paint damage rules

2021. enable spray paint damage

2022. disable spray paint damage

2023. add shotgun to 3D desktop inventory

2024. remove shotgun from 3D desktop inventory

2026. add shotgun to user inventory at startup

2027. don't add shotgun to user inventory at startup

2028. enable unlimited bullets

2029. disable unlimited bullets

2030. edit shotgun texture

2031. enable shotgun animations

2032. disable shotgun animations

2033. change shotgun animations

2034. enable shotgun sound

2035. disable shotgun sound

2036. change shotgun sound

2037. allow sounds for all users [selection]

2038. don't allow sounds for all users [selection]

2039. shotgun is throwable

2040. shotgun is not throwable

2041. change shotgun damage rules

2042. enable shotgun damage

2042. disable shotgun damage

2043. add rifle to 3D desktop inventory

2044. remove rifle from 3D desktop inventory

2045. add rifle to user inventory at startup

2046. don't add rifle to user inventory at startup

2047. enable unlimited bullets

2048. disable unlimited bullets

2049. edit rifle texture

2050. enable rifle animations

2051. disable rifle animations

2052. change rifle animations

2053. enable rifle sound

2054. disable rifle sound

2055. change rifle sound

2056. allow sounds for all users [selection]

2057. don't allow sounds for all users [selection]

2058. rifle is throwable

2059. rifle is not throwable

2060. change rifle damage rules

2061. enable rifle damage

2062. disable rifle damage

2063. add uzi to 3D desktop inventory

2064. remove uzi from 3D desktop inventory

2065. add uzi to user inventory at startup

2066. don't add uzi to user inventory at startup

2067. enable unlimited bullets

2068. disable unlimited bullets

2069. edit uzi texture

2070. enable uzi animations

2071. disable uzi animations

2072. change uzi animations

2073. enable uzi sound

2074. disable uzi sound

2075. change uzi sound

2076. allow sounds for all users [selection]

2077. don't allow sounds for all users [selection]

2078. uzi is throwable

2079. uzi is not throwable

2080. change uzi damage rules

2081. enable uzi damage

2082. disable uzi damage

2083. add plasma gun to 3D desktop inventory

2084. remove plasma gun from 3D desktop inventory

2085. add plasma gun to user inventory at startup

2086. don't add plasma gun to user inventory at startup

2087. enable unlimited bullets

2088. disable unlimited bullets

2089. edit plasma gun texture

2090. enable plasma gun animations

2091. disable plasma gun animations

2092. change plasma gun animations

2093. enable plasma gun sound

2094. disable plasma gun sound

2095. change plasma gun sound

2096. allow sounds for all users [selection]

2097. don't allow sounds for all users [selection]

2098. plasma gun is throwable

2099. plasma gun is not throwable

2100. plasma gun damage rules

2101. enable plasma gun damage

2102. disable plasma gun damage

2103. add grenade to 3D desktop inventory

2104. remove grenade from 3D desktop inventory

2105. add grenade to user inventory at startup

2106. don't add grenade to user inventory at startup

2107. enable unlimited grenades

2108. disable unlimited grenades

2109. edit grenade texture

2110. enable grenade animations

2111. disable grenade animations

2112. edit grenade animations

2113. enable grenade sounds

2114. disable grenade sounds

2115. change grenade sounds

2116. grenade is throwable

2117. grenade is not throwable

2118. grenade damage rules

2119. enable grenade damage

2120. disable grenade damage

2121. add water balloon to 3D desktop inventory

2122. remove water balloon from 3D desktop inventory

2123. reset water balloon color

2124. change water balloon color

2125. add water balloon to users inventory at startup

2126. don't add water balloon to users inventory at startup

2127. enable unlimited water balloons

2128. disable unlimited water balloons

2129. edit water balloon texture

2130. enable water balloon animation

2131. disable water balloon animation

2132. change water balloon animation

2133. enable water balloon sounds

2134. disable water balloon sounds

2135. change water balloon sounds

2136. water balloon is throwable

2137. water balloon is not throwable

2138. water balloon damage rules

2139. enable water balloon damage

2140. disable water balloon damage

2141. add text to water balloon

2142. edit text on water balloon

2143. add sword to 3D desktop inventory

2144. remove sword from 3D desktop inventory

2145. change sword color

2146. change sword texture

2147. add sword to users inventory at startup

2148. remove sword from users inventory at startup

2149. enable unlimited swords

2150. disable unlimited swords

2151. enable sword animations

2152. disable sword animations

2153. edit sword animations

2154. enable sword sounds

2155. disable sword sounds

2156. change sword sounds

2157. change sword damage rules

2158. enable sword damage

2159. disable sword damage

2160. add laser gun to 3D desktop inventory

2161. remove laser gun from 3D desktop inventory

2162. change laser gun texture

2163. enable unlimited ammo

2164. disable unlimited ammo

2165. add laser gun to user inventory at startup

2166. don't add laser gun to users inventory at startup

2167. laser gun is throwable

2168. laser gun is not throwable

2169. enable laser gun animations

2170. disable laser gun animations

2171. change laser gun animations

2172. enable laser gun sounds

2173. disable laser gun sounds

2174. change laser gun sounds

2175. change laser gun damage rules

2176. enable laser gun damage

2177. disable laser gun damage

2178. add banana to 3D desktop inventory

2179. remove banana from 3D desktop inventory

2180. change banana texture

2181. add banana to user inventory at startup

2182. don't add banana to users inventory at startup

2183. banana is throwable

2184. banana is not throwable

2185. enable banana animations

2186. disable banana animations

2187. change banana animations

2188. enable banana sounds

2189. disable banana sounds

2190. change banana sounds

2191. change banana damage rules

2192. enable banana damage

2193. disable banana damage

2194. add candle to 3D desktop inventory

2195. remove candle from 3D desktop inventory

2196. change candle texture

2197. add candle to user inventory at startup

2198. don't add candle to users inventory at startup

2199. candle is throwable

2200. candle is not throwable

2201. enable candle animations

2202. disable candle animations

2203. change candle animations

2204. enable candle sounds

2205. disable candle sounds

2206. change candle sounds

2207. change candle damage rules

2208. enable candle damage

2209. disable candle damage

2210. add lighter to 3D desktop inventory

2211. remove lighter from 3D desktop inventory

2212. change lighter texture

2213. add lighter to user inventory at startup

2214. don't add lighter to users inventory at startup

2215. lighter is throwable

2216. lighter is not throwable

2217. enable lighter animations

2218. disable lighter animations

2219. change lighter animations

2220. enable lighter sounds

2221. disable lighter sounds

2222. change lighter sounds

2223. change lighter damage rules

2224. enable lighter damage

2225. disable lighter damage

2226. add bowling ball to 3D desktop inventory

2227. remove bowling ball from 3D desktop inventory

2228. change bowling ball texture

2229. add bowling ball to user inventory at startup

2230. don't add bowling ball to users inventory at startup

2231. bowling ball is throwable  
2232. bowling ball is not throwable  
2233. enable bowling ball animations  
2234. disable bowling ball animations  
2235. change bowling ball animations  
2236. enable bowling ball sounds  
2237. disable bowling ball sounds  
2238. change bowling ball sounds  
2239. change bowling ball damage rules  
2240. enable bowling ball damage  
2241. disable bowling ball damage  
2242. add dart to 3D desktop inventory  
2243. remove dart from 3D desktop inventory  
2244. change dart texture  
2245. add dart to user inventory at startup  
2246. don't add dart to users inventory at startup  
2247. dart is throwable  
2248. dart is not throwable  
2249. enable dart animations  
2250. disable dart animations  
2251. change dart animations  
2252. enable dart sounds  
2253. disable dart sounds  
2254. change dart sounds  
2255. change dart damage rules  
2256. enable dart damage  
2257. disable dart damage  
2258. add bleach to 3D desktop inventory  
2259. remove bleach from 3D desktop inventory

2260. change bleach texture

2261. add bleach to user inventory at startup

2262. don't add bleach to users inventory at startup

2263. bleach is throwable

2264. bleach is not throwable

2265. enable bleach animations

2266. disable bleach animations

2267. change bleach animations

2268. enable bleach sounds

2269. disable bleach sounds

2270. change bleach sounds

2271. change bleach damage rules

2272. enable bleach damage

2273. disable bleach damage

2274. add shield to 3D desktop inventory

2275. remove shield from 3D desktop inventory

2276. change shield texture

2277. add shield to user inventory at startup

2278. don't add shield to users inventory at startup

2279. shield is throwable

2280. shield is not throwable

2281. enable shield animations

2282. disable shield animations

2283. change shield animations

2284. enable shield sounds

2285. disable shield sounds

2286. change shield sounds

2287. change shield damage rules

2288. enable shield damage

2289. disable shield damage

2290. add light saber to 3D desktop inventory

2291. remove light saber from 3D desktop inventory

2292. change light saber texture

2293. add light saber to user inventory at startup

2294. don't add light saber to users inventory at startup

2295. light saber is throwable

2296. light saber is not throwable

2297. enable light saber animations

2298. disable light saber animations

2299. change light saber animations

2300. enable light saber sounds

2301. disable light saber sounds

2302. change light saber sounds

2303. change light saber damage rules

2304. enable light saber damage

2305. disable light saber damage

2306. add wooden baseball bat to 3D desktop inventory

2307. remove wooden baseball bat from 3D desktop inventory

2308. change wooden baseball bat texture

2309. add wooden baseball bat to user inventory at startup

2310. don't add wooden baseball bat to users inventory at startup

2311. wooden baseball bat is throwable

2312. wooden baseball bat is not throwable

2313. enable wooden baseball bat animations

2314. disable wooden baseball bat animations

2315. change wooden baseball bat animations

2316. enable wooden baseball bat sounds

2317. disable wooden baseball bat sounds

2318. change wooden baseball bat sounds

2319. change wooden baseball bat damage rules

2320. enable wooden baseball bat damage

2321. disable wooden baseball bat damage

2322. add metal baseball bat to 3D desktop inventory

2323. remove metal baseball bat from 3D desktop inventory

2324. change metal baseball bat texture

2325. add metal baseball bat to user inventory at startup

2326. don't add metal baseball bat to users inventory at startup

2327. metal baseball bat is throwable

2328. metal baseball bat is not throwable

2329. enable metal baseball bat animations

2330. disable metal baseball bat animations

2331. change metal baseball bat animations

2332. enable metal baseball bat sounds

2333. disable metal baseball bat sounds

2334. change metal baseball bat sounds

2335. change metal baseball bat damage rules

2336. enable metal baseball bat damage

2337. disable metal baseball bat damage

2338. add checkpoint to 3D desktop

2339. remove checkpoint from 3D desktop

2340. make checkpoint visible

2341. make checkpoint invisible

2342. resize checkpoint size

2343. reset checkpoint size

2344. add hoverboard to 3D desktop inventory

2345. remove hoverboard from 3D desktop inventory

2346. change hoverboard texture

2347. add hoverboard to user inventory at startup

2348. don't add hoverboard to users inventory at startup

2349. hoverboard is throwable

2350. hoverboard is not throwable

2351. enable hoverboard animations

2352. disable hoverboard animations

2353. change hoverboard animations

2354. enable hoverboard sounds

2355. disable hoverboard sounds

2356. change hoverboard sounds

2357. change hoverboard damage rules

2358. enable hoverboard damage

2359. disable hoverboard damage

2360. add spike to 3D desktop inventory

2361. remove spike from 3D desktop inventory

2362. change spike texture

2363. add spike to user inventory at startup

2364. don't add spike to users inventory at startup

2365. spike is throwable

2366. spike is not throwable

2367. enable spike animations

2368. disable spike animations

2369. change spike animations

2471. change wooden bucket animations

2472. enable wooden bucket sounds

2473. disable wooden bucket sounds

2474. change wooden bucket sounds

2475. change wooden bucket damage rules

2476. enable wooden bucket damage

2477. disable wooden bucket damage

2478. add metal bucket to 3D desktop inventory

2479. remove metal bucket from 3D desktop inventory

2480. change metal bucket texture

2481. add metal bucket to user inventory at startup

2482. don't add metal bucket to users inventory at startup

2483. metal bucket is throwable

2484. metal bucket is not throwable

2485. enable metal bucket animations

2486. disable metal bucket animations

2487. change metal bucket animations

2488. enable metal bucket sounds

2489. disable metal bucket sounds

2490. change metal bucket sounds

2491. change metal bucket damage rules

2492. enable metal bucket damage

2493. disable metal bucket damage

2494. add lava to 3D desktop inventory

2495. remove lava from 3D desktop inventory

2496. change lava texture

2497. add lava to user inventory at startup

2498. don't add lava to users inventory at startup

2499. lava is throwable

2500. lava is not throwable

2501. enable lava animations

2502. disable lava animations

2503. change lava animations

2504. enable lava sounds

2505. disable lava sounds

2506. change lava sounds

2507. change lava damage rules

2508. enable lava damage

2509. disable lava damage

2510. add pole to 3D desktop inventory

2511. remove pole from 3D desktop inventory

2512. change pole texture

2513. add pole to user inventory at startup

2514. don't add pole to users inventory at startup

2515. pole is throwable

2516. pole is not throwable

2517. enable pole animations

2518. disable pole animations

2519. change pole animations

2520. enable pole sounds

2521. disable pole sounds

2522. change pole sounds

2523. change pole damage rules

2524. enable pole damage

2525. disable pole damage

2526. add egg to 3D desktop inventory

2527. remove egg from 3D desktop inventory

2528. change egg texture

2529. add egg to user inventory at startup

2530. don't add egg to users inventory at startup

2531. egg is throwable

2532. egg is not throwable

2533. enable egg animations

2534. disable egg animations

2535. change egg animations

2536. enable egg sounds

2537. disable egg sounds

2538. change egg sounds

2539. change egg damage rules

2540. enable egg damage

2541. disable egg damage

2542. add cannon to 3D desktop inventory

2543. remove cannon from 3D desktop inventory

2544. change cannon texture

2545. add cannon to user inventory at startup

2546. don't add cannon to users inventory at startup

2547. cannon is throwable

2548. cannon is not throwable

2549. enable cannon animations

2550. disable cannon animations  
2551. change cannon animations  
2552. enable cannon sounds  
2553. disable cannon sounds  
2554. change cannon sounds  
2555. change cannon damage rules  
2556. enable cannon damage  
2557. disable cannon damage  
2558. add ramp to 3D desktop inventory  
2559. remove ramp from 3D desktop inventory  
2560. change ramp texture  
2561. add ramp to user inventory at startup  
2562. don't add ramp to users inventory at startup  
2563. ramp is throwable  
2564. ramp is not throwable  
2565. enable ramp animations  
2566. disable ramp animations  
2567. change ramp animations  
2568. enable ramp sounds  
2569. disable ramp sounds  
2570. change ramp sounds  
2571. change ramp damage rules  
2572. enable ramp damage  
2573. disable ramp damage  
2574. add staircase to 3D desktop inventory  
2575. remove staircase from 3D desktop inventory  
2576. change staircase texture  
2577. add staircase to user inventory at startup  
2578. don't add staircase to users inventory at startup

2579. staircase is throwable
